

Burton Amateur Regatta Association

Burton Regatta – Saturday 10th July 2010 - - Burton Sprint – Sunday 11th July 2010

Two Day Cash Back Terms and Conditions

1. Any competitor from a visiting club who races at both Burton Regatta and Burton Sprint Regatta shall be entitled to a cash refund toward their entry fees. To be eligible for a cash refund the competitor must pay an entry fee for an entry to at least one event at Burton Regatta and at least one event at Burton Sprint Regatta. Should the competitor receive a refund of their entry fee for any reason on either day then they shall cease to be eligible for a refund unless they have paid an entry fee for an alternative or additional event on the same day.
2. Senior competitors shall be entitled to a £2 refund. Junior competitors shall be entitled to a £1 refund. A junior competitor shall be entitled to a £2 refund if they race in one or more senior events on one of the two days as well as either a senior or junior event on the other day of the weekend.
3. A competitor who ‘doubles up on both days’, i.e. who races in two events on each day, shall be entitled to receive two refunds, always subject to item 2 above such that, for example, if they race in two junior events on one day and one junior and one senior event on the other day then they shall be entitled to one £2 refund and one £1 refund.
4. A competitor who withdraws from an event, for whatever reason, prior to their first race on either day shall cease to be eligible for a cash refund unless they race in an alternative or additional event on that day. However, if they are substituted within a crew, their substitute may become entitled to a cash refund if the substitute also races on the other day of the weekend. A competitor who is substituted for medical reasons after they have raced at least once shall maintain their eligibility for a cash refund. In these circumstances, their substitute may also become eligible for a cash refund if they also race on the other day of the weekend.
5. The refund shall be made in cash to the competitor on presentation of a valid British Rowing registration card which **must be correctly laminated and must contain a photograph of the competitor**. The competitor shall be asked to sign a receipt for their cash refund.
6. The cash refunds shall be available from Regatta Control after 12.00 noon on Sunday 11th July.
